This is what innovation feels like

Imagine coming home to pure comfort.
A bed that's just right in every way.
Engineered to support your body's natural
sleeping position, leaving you refreshed for
the day ahead.

Introducing Sealy Posturepedic Elevate,
you deserve nothing less.

POSTUREPEDI **TECHNOLOGY**

With a heritage of orthopaedic design, Sealy is the leader in sleep innovation. Combining years of research and development to proudly deliver the world's most advanced sleep system.

Experience our latest innovation with the revolutionary Titanium AlignSupport™ system. These intuitive coils sense your weight and respond to maintain your body's natural alignment. You'll rest easy knowing each coil is working effortlessly throughout the night to keep you relaxed, allowing you to enjoy a deeper, more restorative sleep.

AlignSupport™

The unique configuration of our hand-layered Posturepedic comfort systems delivers better performance over time.

Intelligent SmarTex® fabric draws away moisture to cool and regulate your sleep climate, while an enhanced ComfortCore® layer adapts and conforms to relieve pressure on your lower back.

UniCased® edge support reinforces the mattress perimeter to maximise the sleep surface, with UniCased®XT upgrades available in Elevate Ultra models for added stability and support.

Combine your mattress with our stress absorbing Endurance Base engineered to provide a deeper feel and long-lasting comfort.

Better sleep, time and time again

Sealy Posturepedic Elevate combines precise engineering with stunning aesthetics to create a blissful, restful sleep, night after night. It's the combination of luxurious comfort layers and our exclusive Posturepedic Technology that provide your body with the comfort, support and alignment you need to fall asleep faster and stay asleep longer.

Awaken your best

Not all mattresses are created equal. Sealy Posturepedic gives you the edge, leaving you feeling alert, energised and ready to take on the day. Your body and mind elevated, thanks to the natural rejuvenation of unbroken, quality sleep. That's what makes it Clearly a Sealy.

CLEARLY A 

Experience comfort at a new angle

Whether it's reading a book before the lights go out or for medical reasons, our adjustable beds usher in a new era of adaptable sleeping. Not only do they provide additional comfort, but can increase blood flow, decrease snoring and add optimal support for sore joints and ailments.

Tailored to suit

The way you style your home is an extension of you, and your bed is no different. That's why we offer a range of options to personalise your Sealy Posturepedic, including designer fabrics, and SpaceSaver™ featuring an inbuilt storage system. The perfect finishing touches to your bed.
